This month's **Featured Brokers**

www.bsp-auto.com
La location de voitures moins chère

BSP AUTO is a French broker based in Paris, since 2000.

They offer their B2B car rental products through the website www.bsp-auto.com, with offerings in 142 countries.

They also have an important opaque B2B business with more than 4000 travel agents connected to their system.

They have been working very well with Thermeon for many years now and would be very interested in adding new suppliers around the world to their portfolio.

Merry Christmas and a Happy New Year
Terry Pearson, CEO Thermeon Worldwide.

I know that this time of the year is especially busy for the majority of our partners and at these busy times, we all know it is a time to maximise that fleet utilisation whilst ensuring your rates are competitive and offer the best possible return. Remember we are here to offer advice and ideas to help achieve those goals, not just this time of the year but all year round too. With that in mind, these are the opening days and times of our three main support centres over the holiday period.
